OASiS PLATINUM

## GENUINE LEATHER

To make a premium chair, the leather we chose is always the premium.

The genuine leather we are using is the top grain leather, highlighted with consistent grain that offers extremely good yield,.

## UPHOLSTERY & SYNTHETIC LEATHER

We have various kinds of synthetic leather and upholstery for the chairs.

The multiple color is an option for all the chair to fit various kinds of needs

## DETAIL & QUALITY

To ensure good quality and long lasting product, detail quality checking is applied.

To ensure the best of what you seat on, we care about the details.

We always make sure product is in the perfect condition.

## ERGONOMICALLY DESIGNED

Design matters not only for aesthetic reasons but also for health reasons.

To reduce the chances of back injuries, fatigue discomfort, and improve legs blood circulation, we design the chair with related position proper back support and seat support.
